Ben Lomond from Loch Ard

The Duke's Pass view

Loch Katrine and its steamer pier

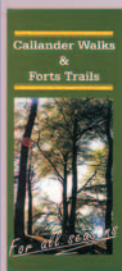

Explore The Trossachs Guides with maps is a six page guide to this fabulous part of Scotland. Here Sir Walter Scott wrote his books Rob Roy and the Lady of the Lake. The first Thomas Cook's tours came here nearly 200 yrs ago to see the marvellous scenery. Ask for your free guide from your accommodation provider.

Callander Walks and Fort Trail Leaflet details 7 walks in and around Callander, taking you to Iron Age and Roman Forts, Scotland's longest Neolithic Cairn, waterfalls and spectacular scenery while telling you much of the local history. Included are Sketch Maps, photographs and directions to aid trouble-free enjoyment. This leaflet has been produced by Ken Dunn, local historian and Rambler. **Available** in local shops and Tourist Information Centre for £2.
